Vide under reference (1), reforms circulated by DPIIT, GoI under "State Business Reforms Action Plan 2022" have been shared for 100% adoption by all ESCOMs. Vide reference (2) above, service users are to be ensured for each user-specific reform.

To comply with the subject, vide (3) above amendments have been made to reduce the number of documents for new service connections up to 150 KW at the time of application registration are as follows:

- a. Proof of identity of the applicant
- b. Proof of ownership of the applicant (in case of owned/leased premise)
- c. Authorization document (in case of firm or company), not applicable for residential service connections

In the above cited reference (4), a Circular was issued, regarding the service timelines for arranging power supply to new electricity connections including CEIG and other approval(if required) to Businesses from the date of registration of application shall be 07 days (without RoW) and within 15 days (with RoW) including CEIG and other necessary approvals(if required). Now, the same shall be extended to citizens (arranging power supply to domestic

Dear

**Sub:** Ease of Doing Business – Implementation of Reforms under State Business Reforms Action Plan – 2022

**Ref:** Email dated 25.05.2022, from Department for Promotion of Industry & Internal Trade (DPIIT), GOI.

\*\*\*\*\*

DPIIT, GOI has circulated the State Level Business Reform Action Plan (SBRAP) for the year 2022 for implementation in the States/UTs. The plan comprises of 352 Reform points spread across two parts, viz., (i) Plan A: Business-Centric Reforms, and (ii) Plan B: Citizen-Centric Reforms. These reforms will be evaluated by DPIIT based on the feedback provided by the service users followed by ranking/grading of the States/UTs.

The reform points pertaining to your department are attached herewith. DPIIT has recommended development of online system for each of the services along with information on fees, procedure and list of documents to be published on website, notification of service timelines under SAKALA and update of the statistics in the dashboard dynamically.

Also, department to ensure more than 200 service users (as applicable) who have availed and experienced the services w.r.t reforms for user feedback in a particular period which will be recommended by DPIIT.

In the context of above, it is requested to implement the enclosed reforms within next 03 months and share the compliances/evidence to Karnataka Udyog Mitra (md@kumbangalore.com). Also share the contact details of EoDB nodal officer in your Department/Organisation for further coordination on the matter. Any clarifications in this regard may please contact Mob: 9606665044/ email:md@kumbangalore.com)

With regards,

Yours sincerely,

To  
G Kumar Nayak, IAS  
Additional Chief Secretary to Govt  
Energy Department  
Vikasa Soudha, , Bangalore - 01
