

CHAPTER-10

NEW PROPOSALS

1. Extending ToD for all HT Consumers:

At present the ToD tariff is applicable to HT(1)HT2(a, b & c). As already proposed during previous tariff petition, it is ones again proposed to extend the ToD to all HT installations irrespective of connected load and category of usage.

2. Metering and Billing for energy consumption for cutting of areca nut, milking machines etc under LT-2 (a) :

- a. As per prevailing regulations, the energy consumption for cutting of areca nut under LT-4 (a) category is to be billed at LT-5 tariff (energy charges only) by installing separate meter for recording of energy consumed for the said purpose.
- b. However, the small tenants who use the electricity for cutting of areca nut under LT-2 itself. The Hon'ble Commission is requested to issue direction in the matter metering and billing of mixed consumption under LT-2(a) category for agriculture activities like cutting of areca nut, milking machines etc.
