CIRCULAR

Sub: Ease of Doing business-Modifications regarding time frame for release of Charged electricity connection.

Ref: 1. T. O. Earlier circular No. MESCOM/SEE(Coml)/EE(RA)/AEE(RA)/2017-18/CYS-07 Dated 28-08-2017.

2. Ltr No. KUM/DD/EODB/50/2018-19 dated 27-11-2018 of Commissioner for Industrial Development and Director of Industries & Commerce.

Karnataka Udyog Mitra, the nodal agency for implementing the suggestions made by Department for Promotion of Industry and Internal Trade(DPIIT) erstwhile DIPP, for implementing the ease of doing business in the state has requested to Govt. of Karnataka to adopt the following to ensure that the Karnataka State is ranked high in the comparison.

Adverting to the above and to expedite the existing procedure for obtaining new electricity connection, it has been decided to revise the timelines for release of charged electricity connection for industrial use from the date of application for electrical connection as follows:

- i. Connections including CEIG approval (if required) up to 200 KVA to be provided within Seven days, where no RoW is required.
- ii. Connections including CEIG approval (if required) upto 200 KVA to be provided within Fifteen Days, where RoW is required.

The above timelines will not be applicable for virgin territory, i.e., locations where a new line needs to be laid beyond 500 Meters from the nearest available source and where the requisitioned load is more than 200 KVA.

Superintending Engineer(Elec.) (Coml.)
Corporate office, MESCOM
