CIRCULAR

Sub: Ease of Doing business-Modifications regarding time frame for release of Charged electricity connection

Ref: 1. T. O. Earlier circular No. MESCOM/SEE(Coml)/EE(RA)/AEE(RA)/2017-18/CYS-07 Dated 28-08-2017.

2. Ltr No. KUM/DD/EODB/50/2018-19 dated 27-11-2018 of Commissioner for Industrial Development and Director of Industries & Commerce.

Suggestions are made by the Government of India for improving the "Ease of doing the business" in the States. There is an assessment frame work for ranking the States in "Ease of doing the business". Based on the suggestions made by the Gol. Karnataka Udyog Mitra, the nodal agency for Karnataka State has requested to adopt the suggestions made by the Government of India. Further in order to maintain proper data base of the user and for revenue management the proof of identity of the user is very essential.

For the implementation of action points suggested by the Government of India and Energy department of GoK, the following instructions are to be followed for collecting the number of mandatory documents required for obtaining the electricity connection in line with KERC regulations for arranging power supply to the HT/LT industrial consumers.

- Proof of Identity of the user (Aadhar card, EPIC, Driving license, Passport, Pan card etc.,).
- Proof of ownership of the premises or proof of occupancy with consent of owner, in the absence of such consent, indemnity bond as per Annex-8 of KERC regulations.
- Authorization document in case of firm or Company (Partnership deed in the case of a partnership firm, or Memorandum of Association & Articles of Association and Certificate of incorporation, in the case of a limited company/Limited liability Partnership firm).
